FOREST.

No. 813—*Ft. F.* 15-1900, *dated* 3*rd June* 1901.

With reference to Notification No. 460—Ft. F. 15-1900, dated 21st January 1901, the Government of Mysore are pleased, under Section 76 of the Mysore Forest Regulation, to empower all Forest Officers, other than Forest Rangers, included in class III of the Notification above cited, to compound offences under Section 59 of the Regulation.

No. 822—*Ft. F.* 16-96, *dated* 5*th June* 1901.

In supersession of the rules contained in Notification No. 2688—Ft. F. 16-96, dated 8th September 1897, the following revised rules for the sale of sandalwood by public auction in Mysore have been approved by the Government of Mysore, and are published for general information :—

I.—Procedure.

1. Every auction sale shall be held by the District Forest Officer in conjunction with the Deputy Commissioner of the District, or an Assistant Commissioner deputed by the Deputy Commissioner.

2. Subject to minimum prices, which will be fixed by the Conservator of Forests on behalf of Government but which will not be divulged, the highest bidder shall ordinarily be the purchaser. But the Deputy Commissioner or, in his absence, the District Forest Officer, can reject any bid without assigning a reason therefor. Should the sale of any lot be disputed, it shall immediately be again put up and re-sold.

3. Each purchaser shall, immediately after a lot has been knocked down to him, sign his name, opposite the number and specification of the lot bought by him, in a book provided for the purpose. Such signature shall be held as an admission on his part of having bought such lot and of agreeing to the terms of sale as herein specified. The lot thus sold shall remain intact till weighment by the District Forest Officer under rule 6.

II.—Payments how to be made.

4. Immediately after the sale, each purchaser will be furnished with a memo showing the total amount due by him and with a letter of advice to pay immediately 25 per cent of such amount as deposit into the Taluk Treasury at the place, or if there is no such Treasury, to pay the same into the nearest Taluk Treasury before the close of the third day from the date of sale. A receipt for the deposit money will be granted by the Treasury Officer and must be presented to the District Forest Officer before the close of the fifth day. The District Forest Officer will initial the receipt and enter on its face the date of presentation. Should any purchaser fail to comply with this regulation, the District Forest Officer shall be at liberty to re-sell forthwith all or any portion of the sandalwood purchased by such defaulter, who shall bear any loss, but shall not participate in any profit that may arise. The amount due by such defaulter shall be recovered as a revenue demand. To meet the convenience of intending large and recognized purchasers, deposits in advance will be received from them in currency notes sent by post duly registered to the address of the "Officer in charge of the State Huzur Treasury, Bangalore," or by remittances through the Bank of Madras in favour of that Officer or by cash paid into that Treasury. Such depositors should take care that their remittances to the Huzur Treasury are sufficient to cover their 25 % payment under this rule. These deposits do not bind the Forest Department to sell the wood to the depositors or to show them any indulgence which is not shown to others or to exempt them from their liability under these rules. The Officer in charge of the Huzur Treasury shall give intimation to the Conservator of Forests of all receipts of deposits the same day they are credited at the Treasury, for communication to the Forest Officers concerned, and will adjust such deposits as instructed by the Conservator of Forests. Unutilised deposits shall be returned to the party concerned on the certificate of the Conservator of Forests.

5. The whole quantity purchased by each merchant must be paid for within 90 days from the date of sale, failing which the deposit money already paid shall be forfeited to Government and not treated as part payment, unless the Conservator of Forests, in his discretion, grants an extension of time and the amount is paid within the time so granted. In case of default, the
